

FOAL REGISTRATION

This registration form is automatically attached to all receipt letters.

It should be kept until registration is due.

The foal registration form must be submitted **40 days after foaling at the latest**.

Otherwise a late fee is charged.

If the dam is not registered at Videncentret for Landbrug, Heste, a copy of her original registration papers must be enclosed.

SIGNATURE	STREET ADDRESS:		POSTAL CODE:	
	CITY/STATE:		COUNTRY:	

TRANSFER OF OWNERSHIP:

On transfer of ownership, the original pedigree or certificate of ownership of the horse must always be enclosed according to the rules and regulations of Videncentret for Landbrug, Heste. Moreover, on transfer of ownership, written documentation from buyer and seller must be available.

How to report events

Events:

All fields must be completed.

It is possible to report reproduction events for four different mares. One of the fields Reproduction or Transaction must always be marked, and the code must always be put against the event you wish to register.

Description of reproduction events:

10

Is to be reported if the mare is **confirmed** pregnant.

One of the following codes must be stated:

- 7: Hand examination
- 8: Scanning
- 9: Blood samples
- 10: Other pregnancy examination

14

Is to be reported if it has been **confirmed** that the mare has aborted the foal/embryo.

One of the following codes must be stated:

- 1: Early fetal death
- 2: Foetus found

13

Is to be reported if the mare is **confirmed not** pregnant.

One of the following codes must be stated:

- 7: Hand examination
- 8: Scanning
- 9: Blood samples
- 10: Other pregnancy examination

16

Must be completed when an animal leaves the reporting person's horse farm.

One of the following codes must be stated:

- 11: Exported
- 2: Slaughtered
- 3: Dead
- 4: Destroyed
