Please remember in order to be eligible for the NADWA award programs including the USDF all-breed awards, the owner, horse & for dressage the rider must be a member in good standings of NADWA.

The horse is not a member of NADWA just because the horse has Danish Warmblood breed papers, you will need to sign up the horse as a member. The membership applications can be found on our website www.danishwarmblood.org or contact our award chairperson Jane Hayes via e-mail hayesforhorses@ca.rr.com or phone 951-609-3787.

Also remember the deadline to declare what breed organization you are riding for and have a copy of the breed papers on file with USDF is September 30. You need to contact the all-breed coordinator at USDF to declare if not already done or you will not be eligible for the 2008 USDF all breed awards.
